Internship Announcement 2015

From the Depths Foundation is pleased to announce the Internship Program. Internships are available for both undergraduate and graduate students.

From the Depths (www.fromthedepths.org) is a non-profit organization which has the goal of bringing the memory of the Holocaust to the next generation. From The Depths works with individuals, Holocaust survivors, and Jewish communities, focusing primarily in Eastern Europe, but also around the world. **Jonny Daniels** President and Founder of From the Depths **was the initiator and organizer of the special celebrations for the 69th anniversary of the liberation of Auschwitz-Birkenau** as well as the International Day of Remembrance of the Victims of the Holocaust. For the event, held in January 2014, more than 60 representatives of the Israeli parliament were accompanied by representatives of the governments of Poland, The United States, Canada, and others as they converged on Auschwitz-Birkenau and Krakow to remember the past. From the Depths is currently running a nationwide project in Poland, called "The Matzeva Project" (www.matzeva.org) which focuses on the documentation and restoration of over 1300 pre-war Jewish cemeteries, as well as collecting Matzevas (tombstones) used as building materials all over Poland.

Applicants should submit a resume that details their relevant work and educational experiences and cover letter stating their interests, qualifications.
